

# A Rock-Solid Warranty for a Rock-Solid Pump

# 10 yr

## Extended 10-Year Limited Pump Warranty Available for Orenco Sewers

Designing a new wastewater collection system?  
Considering a pressure sewer, but concerned  
about operational costs?

Orenco's lightweight, durable effluent pumps are  
easy to maintain, reliable, and field-serviceable.  
And for \$25, we're offering an extended warranty  
on select PF-series pumps when used in Orenco  
Sewers. **That means every one of these pumps  
you install can be covered for 10 years.**

See the other side of this flyer for the technical  
details that make our pumps the best in the  
business. Then, **contact our Municipal Systems  
team** today to learn more about Orenco pumps,  
Orenco Sewers™, or the extended 10-year limited  
warranty. You can call (800) 348-9843 or  
+1-541-459-4449, or reach them via email  
at [info@orenco.com](mailto:info@orenco.com).
